

Pernilla Stalfelt: *The Death Book*

Age: 5 years and up.

Is it really possible to write a funny book about death? Of course it is! 'Sometimes you start to think a little about death...in that case you may think it is a bit of a mystery. It is difficult to understand what death is...Not only if you are quite little but if you are big too...It can be hard even if you are REALLY big.'

Pernilla Stalfelt has the ability to tell stories about exactly the things that concern children. In this book she assesses the important subject of death in her own special way - serious and mad in a unique blend. What happens at a funeral? What actually happens when we die? Do we go to heaven? Or do we end up as hot dogs?

Stalfelt shows great respect, warmth and compassion for various views around death and dying. Pernilla Stalfelt published her first book, *The Hair Book* (awarded the 1997 Elsa Beskow award) in 1996. Since then her books have attracted great interest and acclaim from media and the general public. Her books include *The Poo Book* (1997) and *The Love Book* (2001).
